"Your Vision is Our
Dream and Creation..."

design & coordination

The place, the flowers, the relatives, the friends,
the colors, the music, the traditional tastes.

The sensations, the sunsets and the aura, the original Cretan philoxenia, the authentic Cretan soul.

You decide, we organize.

You dream and we make your dreams come true.

You imagine and we create the moments... Your moments...

We make your dream ours, and always the result is extraordinary, unique and incredible.

This is our promise. This is Our Dream...

To be part of your wedding memories. To stay behind of them.

To make you feel our beloved, romantic, historical, mysterious

RETHYMNO ...ALWAYS YOURS.
